ASHTON BERENGER

ASHTON BERENGER

ACCOUNT MANAGER

“

I am highly motivated to get the best results for my clients.

”

Ashton is a highly motivated Account Manager servicing the Victorian region for both the residential and commercial market sectors. Ashton earned his stripes in the industry spending 7 years working for a tier one glass manufacturing company. Whilst honing his customer service skills, he developed a succinct understanding of how to align company goals with customer objectives.

Joining the SOLOS Glass team in 2018, Ashton quickly cemented his role within the business as an enthusiastic team member with a fresh approach.

With a number of high-end residential and commercial customers dominating his portfolio, Ashton prides himself on providing exceptional technical support and a commitment to deliver nothing less than outstanding customer service and forming trusted relationships.

A self-declared car enthusiast, Ashton can often be found under the hood of a car. A testament to the fact that he doesn't mind getting in and rolling up his sleeves to get the job done.
